## Making fully cashable savings...

**LONDON - 10 JUNE 2010**

 NB This seminar will  
 only be held in London, no out of  
 London venues SORRY!

The Operational Efficiency Programme (HM Treasury) has recommended 'collaborative procurement' as the preferred approach to making fully cashable savings across the public sector. This one-day seminar is designed for all those in the public sector who need to understand the key approaches to collaborative procurement and how they can be delivered lawfully and within the constraints of the European Public Procurement Regime (EUPPR). Delegates will be given practical information and advice on how to develop collaborative procurement, including the new shared-funding arrangements permitted by the *Commission v Germany* case of 2009.
